

ThinkVision®

**A GREEN IDEA WITH
A GOLD RATING**

LENOVO THINKVISION® L2440X WIDE MONITOR

As Lenovo's Greenest Monitor ever, the L2440x Wide is Lenovo's first low halogen, mercury-free and arsenic-free monitor. Pioneering new energy conservation and recycling technologies, it uses up to 60% less power than conventional models. This new white LED technology is the ideal choice for environmentally conscious users and mobile executives looking for excellent screen performance along with up to 225% additional work area over an ultra-portable notebook. Attach all your latest devices with DisplayPort and USB connectors.

FEATURES & BENEFITS

- Large display area with sharp and vivid images
- Up to 60% less power usage*
- Mercury, Arsenic and PVC free*
- Low halogen with trace levels of BFR and CFR**
- 65% recycled packaging materials
- Cables hidden for a cleaner desktop
- DisplayPort & USB connectivity

Lenovo ThinkVision L193p

The Lenovo ThinkVision L193p monitor delivers the best combination of price, performance and comfort. The Electronic Product Environmental Assessment Tool (EPEAT) rated the ThinkVision L193p as the industry's first Gold rated monitor on 8th October 2007. Ideal for those who spend long periods of time on the computer, or in multi-monitor environments using advanced business applications.

KEY FEATURES

- Industry's 1st EPEAT™ Gold rated monitor
- Pivot for portrait or landscape viewing (graphics card dependent)
- Dual input signals using analogue & digital connections
- Height adjustable stand
- Optional ThinkVision USB Soundbar (40Y7616)

Lenovo ThinkVision L174

The ThinkVision L174 monitor is proof of Lenovo's commitment to be the industry leader for environmentally friendly and responsible products. The L174 is an EPEAT Gold rated monitor and is Lenovo's first low power monitor. The L174 uses up to 35% less power than its preceding model (L171), providing an even greater TCO position. This monitor is best suited for general business applications such as word processing, spreadsheets, data entry, and business graphics.

FEATURES & BENEFITS:

- EPEAT Gold rating for the industry's greenest monitor
- Low power consumption is up to 35% lower than previous model (L171) for greater TCO
- 17-inch (432.0 mm) viewable image size
- Native resolution of 1280x1024
- Adjustable tilt stand for viewing comfort
- Direct access for automatic image setup, brightness, and easy monitor setup
- Detachable stand for wall or arm mounting
- Available in business black
